48/421. Military activities and arrangements by colonial Powers in Territories under their administration

At its 75th plenary meeting, on 10 December 1993, the General Assembly, on the recommendation of the Special Political and Decolonization Committee (Fourth Committee), 18/ adopted the following text:

"1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled 'Military activities and arrangements by colonial Powers in Territories under their administration,' 19/ and recalling its resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

"2. Aware of the presence of such bases and installation in some of those Territories, the General Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

"3. The General Assembly reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with the relevant resolutions of the Assembly.

"4. The General Assembly reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

"5. The General Assembly deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

The Assembly, in that connection, welcomes the assistance rendered by the United Nations Development Programme and invites other organizations of the United Nations system to assist in the development of the Territory.

At its 85th plenary meeting, on 20 December 1993, the General Assembly, on the recommendation of the Second Committee, 73/ pursuant to its resolutions 45/170 of 18 December 1990 and 46/140 of 17 December 1991, approved the organization of work of the Third Committee and the biennial programme of work of the Committee for 1994-1995, as contained in annexes I and II to the present decision.

ANNEX I

Organization of work of the Third Committee

A. GUIDELINES CONCERNING TIME-LIMITS OF STATEMENTS

1. In accordance with rule 106 of the rules of procedure of the General Assembly and paragraph 22 of decision 34/401 on the rationalization of the procedures and organization of the General Assembly, at the beginning of each session, the Chairman of the Third Committee should propose to the Committee the limitation of the time to be allowed to speakers.

2. Further to General Assembly resolutions 45/175 of 18 December 1990 and 46/140 of 17 December 1991, on the rationalization of the work of the Third Committee, statements made by delegations or on behalf of groups of delegations and by Secretariat officials, unless decided otherwise by the Committee at the beginning of the session, should not exceed 15 minutes. This time-limit will have to be applied with a degree of flexibility towards all speakers. With a view to saving time, all speakers are encouraged to exercise self-discipline, in particular delegations associated with group statements. For practical reasons, group statements are encouraged for the first day of the discussion of an item or sub-item. In this connection, it is important to emphasize the timely distribution of documentation in accordance with the rules of procedure of the Assembly, in order to enable delegations to inscribe themselves on the list of speakers at an early stage.

B. DRAFT RESOLUTIONS ON REPORTS OF TREATY BODIES AND REPORTS OF THE SECRETARY-GENERAL ON THE STATUS OF THE TREATIES

3. Reports of all treaty bodies will be submitted to the General Assembly in accordance with their respective legislative mandates. Substantive resolutions on those reports should be adopted biennially, in accordance with the programme of work of the Third Committee. Where possible, it is recommended that separate draft resolutions on the status of the treaties should not be submitted but should be incorporated in the draft resolution relating to the report of the
